

MINUTES OF THE PUBLIC HEARING AND SPECIAL MEETING OF
THE BOARD OF COMMISSIONERS OF
JEFFERSON COUNTY EMERGENCY SERVICES DISTRICT NO. 4

A public hearing and special meeting of the Board of Commissioners of Jefferson County Emergency Services District No. 4 (“District”) was called for at 5:30 p.m. on the 10th day of September, 2014, at the District’s administrative office, located at the Labelle-Fannett VFD fire station, 12880 FM 365, Beaumont, Texas 77705, pursuant to notice duly posted according to law.

At approximately 5:30 p.m., the public hearing was called to order. The roll was called of the duly constituted officers and members of the Board, to wit:

Jeff Roebuck	President
Charlie Reneau	Vice President
Sandra Duhon	Secretary
Sandra Melton	Treasurer
Charlie Cox	Assistant Treasurer

All of said Board members were present, with the exception of Vice President Reneau and Secretary Duhon, thus constituting a quorum. Also present at the meeting were: Joshua Heinz of the law firm Benckenstein & Oxford, L.L.P., attorneys for the District; and, those persons identified on the attendance log attached hereto as **Exhibit A**.

Upon establishing that a quorum was present, President Roebuck opened the public hearing for discussions on the District’s 2014 tax rate and proposal to increase property taxes under public hearing Agenda Item No. 3. President Roebuck then asked if there was anyone present having questions or comments relating to the District’s 2014 tax rate or proposal to increase property taxes. Being as there were no questions or comments from anyone in attendance regarding the District’s 2014 tax rate and proposal

to increase property taxes, the public hearing was adjourned, and the regular meeting was called to order at approximately 5:35 p.m.

Being as a quorum had already been established, President Roebuck moved to special meeting Agenda Item No. 3, at which time the Board discussed proposed dates to conduct a special meeting to vote on the District's 2014 tax rate. Upon motion by Treasurer Melton and seconded by Assistant Treasurer Cox, the Board unanimously approved the scheduling of a special meeting on Wednesday, September 24, 2014 at 5:30 p.m. to vote on the District's 2014 tax rate. President Roebuck then made an announcement about the special meeting date and time.

Then, under special meeting Agenda Item No. 4, Treasurer Melton made a motion to authorize publication of the Notice of Vote on Tax Rate in The Examiner, which was seconded by Assistant Treasurer Cox and unanimously approved by all the Board members present. Mr. Heinz will make arrangements to have the notice published.

Next, the Board was directed to special meeting Agenda Item No. 5 regarding the proposed 2014-15 budget. All Board members present indicated that they were still in agreement with the 2014-15 budget as currently proposed. Accordingly, no action was taken under this item.

Thereafter, President Roebuck asked for public comment as set forth in special meeting Agenda Item No. 6, but there was no response. So, the Board moved along to special meeting Agenda Item No. 7 regarding repair proposals for Labelle-Fannett VFD's Tanker 1. After the Board discussed the proposed repairs and status of Tanker 1 with the Labelle-Fannett VFD representatives present, Treasurer Melton made a motion to approve the proposals from Siddons-Martin (\$12,594.52) and Herrera's Lighting

(\$1,114.00) and authorize the repairs. The motion was seconded by Assistant Treasurer Cox and unanimously approved by the Board members present.

The Board was then directed to Agenda Item No. 8 regarding the proposed Texas First Bank loan to payoff/refinance Labelle-Fannett's loan on Engine 1, and renewal of the District's line of credit loan. After discussing and reviewing the proposed loan and title transfer documents, copies of which are attached hereto as Exhibit B, Assistant Treasurer Cox made a motion to approve the loan to payoff/refinance Labelle-Fannett's loan on Engine 1 (\$106,206.83), contingent upon Labelle-Fannett VFD transferring the asset to the District, approve the renewal of the District's line of credit loan (\$10,000.00), and authorize the required Board members to execute the loan and title transfer documents. The motion was seconded by Treasurer Melton and unanimously approved by the Board members present.

After tabling special meeting Agenda Item No. 9, and being as there were no other matters to come before the Board under special meeting Agenda Item No. 10, the special meeting was adjourned at approximately 5:45 p.m.

NOTE. This Commercial Promissory Note will be referred to in this document as the "Note."

LENDER. "Lender" means Texas First Bank whose address is HWY 124 at FM 365, Fannett, Texas 77705, its successors and assigns.

BORROWER. "Borrower" means each person or legal entity who signs this Note.

PROMISE TO PAY. For value received, receipt of which is hereby acknowledged, on or before the Maturity Date, the Borrower promises to pay the principal amount of One Hundred Six Thousand Two Hundred Six and 83/100 Dollars (\$106,206.83) or such lesser amount as shall have been advanced by Lender, from time to time, to or on behalf of Borrower under the terms of this Note, and all interest on the outstanding principal balance and any other charges, including service charges, to the order of Lender at its office at the address noted above or at such other place as Lender may designate in writing. The Borrower will make all payments in lawful money of the United States of America.

PAYMENT SCHEDULE. This Note will be paid according to the following schedule: 5 consecutive payments of principal and interest beginning on September 17, 2015 and continuing on the same day of each year thereafter. This amount may change on September 17, 2014 and every day thereafter. The unpaid principal balance of this Note, together with all accrued interest and charges owing in connection therewith, shall be due and payable on the Maturity Date. All payments received by the Lender from the Borrower for application to this Note may be applied to the Borrower's obligations under this Note in such order as determined by the Lender.

INTEREST RATE AND SCHEDULED PAYMENT CHANGES. Interest will begin to accrue on the date of this Note. The initial variable interest rate on this Note will be 5.650% per annum. This interest rate may change on September 17, 2014, and every day thereafter. Each date on which the interest rate may change is called the "Change Date." Beginning with the first Change Date, Lender will calculate the new interest rate based on TIB Texas City base rate in effect on the Change Date (the "Index") plus 0.000 percentage points (the "Margin"). If the Index is not available at that time, Lender will choose a new Index which is based on comparable information. The Index is used solely to establish a base from which the actual rate of interest payable under this Note will be calculated, and is not a reference to any actual rate of interest charged by any lender to any particular borrower. The interest rate will never be greater than 18.000% or less than 5.650%.

Nothing contained herein shall be construed as to require the Borrower to pay interest at a greater rate than the maximum allowed by law. If, however, from any circumstances, Borrower pays interest at a greater rate than the maximum allowed by law, the obligation to be fulfilled will be reduced to an amount computed at the highest rate of interest permissible under applicable law and if, for any reason whatsoever, Lender ever receives interest in an amount which would be deemed unlawful under applicable law, such interest shall be automatically applied to amounts owed, in Lender's sole discretion, or as otherwise allowed by applicable law. An increase in the interest rates will result in a higher payment amount. Interest on this Note is calculated on an Actual/365 day basis.

PREPAYMENT PENALTY. This Note may be prepaid, in full or in part, at any time, without penalty.

ADVANCES. The Borrower and Lender agree that the Borrower may borrow up to the maximum amount of principal only one time. Advances by Lender under this Note are discretionary and the Lender may, in its sole discretion, refuse to make advances. Without limiting the foregoing, Principal advances will not be made to the Borrower if any of the following conditions exist:

- The maximum amount on this Note has been reached or is outstanding.
- Borrower has breached any of the terms, provisions, representations, requirements or promises contained in this Note or any other agreement.
- Borrower makes a request for an advance after the Maturity Date.
- The Note or any other agreement relating to the extension of credit is in default.
- The Lender has deemed itself insecure or there has been a material adverse change of conditions.
- The Lender is precluded by law from making the advance.

Advances under this Note may only be requested in writing by the Borrower or by an authorized person.

The total of any advance requested and unpaid principal cannot exceed the available principal amount. The available principal amount refers to the principal amount minus the aggregate amount of outstanding advances.

All advances will be charged to a loan account in Borrower's name on Lender's books, and the Lender shall debit in such account the amount of each advance made to, and credit to such account the amount of each repayment made by Borrower.

The initial advance will be in the amount of \$106,206.83.

SECURITY TO NOTE. Security (the "Collateral") for this Note is granted pursuant to the following security document(s):

- Security Agreement dated September 17, 2014 evidencing security interest in 2007 FRHT VIN 1FVACYDJ17HU63469.

RIGHT OF SET-OFF. To the extent permitted by law, Borrower agrees that Lender has the right to set-off any amount due and payable under this Note, whether matured or unmatured, against any amount owing by Lender to Borrower including any or all of Borrower's accounts with Lender. This shall include all accounts Borrower holds jointly with someone else and all accounts Borrower may open in the future. Such right of set-off may be exercised by Lender against Borrower or against any assignee for the benefit of creditors, receiver, or execution, judgment or attachment creditor of Borrower, or against anyone else claiming through or against Borrower or such assignee for the benefit of creditors, receiver, or execution, judgment or attachment creditor, notwithstanding the fact that such right of set-off has not been exercised by Lender prior to the making, filing or issuance or service upon Lender of, or of notice of, assignment for the benefit of creditors, appointment or application for the appointment of a receiver, or issuance of execution, subpoena or order or warrant. Lender will not be liable for the dishonor of any check when the dishonor occurs because Lender set-off a debt against Borrower's account. Borrower agrees to hold Lender harmless from any claim arising as a result of Lender exercising Lender's right to set-off.

DISHONORED ITEM FEE. If Borrower makes a payment on the loan with a check or preauthorized charge which is later dishonored, a fee in the amount of \$29.50 will be charged.

RELATED DOCUMENTS. The words "Related Documents" mean all promissory notes, security agreements, mortgages, deeds of trust, deeds to secure debt, business loan agreements, construction loan agreements, resolutions, guaranties, environmental agreements, subordination agreements, assignments and any other documents or agreements executed in connection with this Note whether now or hereafter existing, including any modifications, extensions, substitutions or renewals of any of the foregoing. The Related Documents are hereby made a part of this Note by reference thereto, with the same force and effect as if fully set forth herein.

DEFAULT. Upon the occurrence of any one of the following events (each, an "Event of Default" or "default" or "event of default"), Lender's obligations, if any, to make any advances will, at Lender's option, immediately terminate and Lender, at its option, may declare all indebtedness of Borrower to Lender under this Note immediately due and payable without further notice of any kind notwithstanding anything to the contrary in this Note or any other agreement: (a) Borrower's failure to make any payment on time or in the amount due; (b) any default by Borrower under the terms of this Note or any other Related Documents executed in connection with this Note; (c) any default by Borrower under the terms of any Related Documents in favor of Lender; (d) the death, dissolution, or termination of existence of Borrower or any guarantor; (e) Borrower is not paying Borrower's debts as such debts become due; (f) the commencement of any proceeding under bankruptcy or insolvency laws by or against Borrower or any guarantor or the appointment of a receiver; (g) any default under the terms of any other indebtedness of Borrower to any other creditor; (h) any writ of attachment, garnishment, execution, tax lien or similar instrument is issued against any collateral securing the loan, if any, or any of Borrower's property or any judgment is entered against Borrower or any guarantor; (i) any part of Borrower's business is sold to or merged with any other business, individual, or entity; (j) any representation or warranty made by Borrower to Lender in any of the Related Documents or any financial statement delivered to Lender proves to have been false in any material respect as of the time when made or given; (k) if any guarantor, or any other party to any Related Documents in favor of Lender entered into or delivered in connection with this Note terminates, attempts to terminate or defaults under any such Related Documents; (l) Lender has deemed itself insecure or there has been a material adverse change of condition of the financial prospects of Borrower or any collateral securing the obligations owing to Lender by Borrower. Upon the occurrence of an event of default, Lender may pursue any remedy available under any Related Document, at law or in equity.

GENERAL WAIVERS. To the extent permitted by law, the Borrower severally waives any required notice of presentment, demand, acceleration, intent to accelerate, protest and any other notice and defense due to extensions of time or other indulgence by Lender or to any substitution or release of collateral. No failure or delay on the part of Lender, and no course of dealing between Borrower and Lender, shall operate as a waiver of such power or right, nor shall any single or partial exercise of any power or right preclude other or further exercise thereof or the exercise of any other power or right.

JOINT AND SEVERAL LIABILITY. If permitted by law, each Borrower executing this Note is jointly and severally bound.

SEVERABILITY. If a court of competent jurisdiction determines any term or provision of this Note is invalid or prohibited by applicable law, that term or provision will be ineffective to the extent required. Any term or provision that has been determined to be invalid or prohibited will be severed from the rest of this Note without invalidating the remainder of either the affected provision or this Note.

SURVIVAL. The rights and privileges of the Lender hereunder shall inure to the benefits of its successors and assigns, and this Note shall be binding on all heirs, executors, administrators, assigns and successors of Borrower.

ASSIGNABILITY. Lender may assign, pledge or otherwise transfer this Note or any of its rights and powers under this Note without notice, with all or any of the obligations owing to Lender by Borrower, and in such event the assignee shall have the same rights as if originally named herein in place of Lender. Borrower may not assign this Note or any benefit accruing to it hereunder without the express written consent of the Lender.

GOVERNING LAW. This Note is governed by the laws of the state of Texas except to the extent that federal law controls.

HEADING AND GENDER. The headings preceding text in this Note are for general convenience in identifying subject matter, but have no limiting impact on the text which follows any particular heading. All words used in this Note shall be construed to be of such gender or number as the circumstances require.

ATTORNEYS' FEES AND OTHER COSTS. If legal proceedings are instituted to enforce the terms of this Note, Borrower agrees to pay all costs of the Lender in connection therewith, including reasonable attorneys' fees, to the extent permitted by law.

By signing this Note, Borrower acknowledges reading, understanding, and agreeing to all its provisions and receipt hereof.

All policies shall expressly provide that the Lender shall be the loss payee or, alternatively, if requested by Lender, mortgagee. The Lender is granted a security interest in the proceeds of such insurance and may apply such proceeds as it may receive toward the payment of the Obligations, whether or not due, in such order as the Lender may in its sole discretion determine. The Debtor agrees to maintain, at its own expense, public liability and property damage insurance upon all its other property, to provide such policies in such form as the Lender may approve, and to furnish the Lender with copies of other evidence of such policies and evidence of the payments of the premiums thereon. All policies of insurance shall provide for a minimum 10 days' written notice of cancellation to Lender. At the request of Lender, such policies of insurance shall be delivered to and held by Lender. Debtor agrees that Lender is authorized to act as attorney for Debtor in obtaining, adjusting, settling, and canceling such insurance and endorsing any drafts or instruments issued or connected with such insurance. Debtor specifically authorizes Lender to disclose information obtained in conjunction with this Agreement and from policies of insurance to prospective insurers of the Collateral. If the Debtor at any time fails to obtain or to maintain any of the insurance required above or pay any premium in whole or in part relating thereto, the Lender, without waiving any default hereunder, may make such payment or obtain such policies as the Lender, in its sole discretion, deems advisable to protect the Debtor's property. All costs incurred by the Lender, including reasonable attorneys' fees, court costs, expenses, and other charges thereby incurred, shall become a part of the Obligations and shall be payable on demand.

ADDITIONAL COLLATERAL. In the event that Lender should, at any time, determine that the Collateral or Lender's security interest in the Collateral is impaired, insufficient, or has declined or may decline in value, or if Lender should deem that payment of the Obligations is insecure, time being of the very essence, then Lender may require, and Debtor agrees to furnish, additional Collateral that is satisfactory to Lender. Lender's request for additional collateral may be oral or in writing delivered by United States mail addressed to Debtor and shall not affect any other subsequent right of the Lender to request additional Collateral.

FINANCING STATEMENT(S) AND LIEN PERFECTION. Lender is authorized to file a conforming financing statement or statements to perfect its security interest in the Collateral, as provided in Revised Article 9, Uniform Commercial Code - Secured Transactions. Debtor agrees to provide such information, supplements, and other documents as Lender may from time to time require to supplement or amend such financing

statement filings, in order to comply with applicable state or federal law and to preserve and protect the Lender's rights in the Collateral. The Debtor further grants the Lender a power of attorney to execute any and all documents necessary for the Lender to perfect or maintain perfection of its security interest in the Collateral, and to change or correct any error on any financing statement or any other document necessary for proper placement of a lien on any Collateral which is subject to this Agreement.

LANDLORD'S WAIVER. Upon request, Debtor shall furnish to Lender, in a form and upon such terms as are acceptable to Lender, a landlord's waiver of all liens with respect to any Collateral covered by this Agreement that is or may be located upon leased premises.

RELATIONSHIP TO OTHER AGREEMENTS. This Agreement and the security interests (and pledges and assignments, as applicable) herein granted are in addition to (and not in substitution, novation or discharge of) any and all prior or contemporaneous security agreements, security interest, pledges, assignments, mortgages, liens, rights, titles, or other interests in favor of Lender or assigned to Lender by others in connection with the Obligations. All rights and remedies of Lender in all such agreements are cumulative.

TAXES, LIENS, ETC. The Debtor agrees to pay all taxes, levies, judgments, assessments, and charges of any nature whatsoever relating to the Collateral or to the Debtor's business. If the Debtor fails to pay such taxes or other charges, the Lender, at its sole discretion, may pay such charges on behalf of the Debtor; and all sums so dispensed by the Lender, including reasonable attorneys' fees, court costs, expenses, and other charges relating thereto, shall become a part of the Obligations and shall be payable on demand.

ENVIRONMENTAL HAZARDS. Debtor certifies that the Collateral has never been, and so long as this Agreement continues to be a lien on the Collateral, never will be used in violation of any local, state or federal environmental laws, statutes or regulations or used for the generation, storage, manufacture, transportation, disposal, treatment, release or threatened release of any hazardous substances and Debtor will immediately notify Lender in writing of any assertion made by any party to the contrary. Debtor indemnifies and holds Lender and Lender's directors, officers, employees, and agents harmless from any liability or expense of whatsoever nature, including reasonable attorneys' fees, incurred directly or indirectly as a result of Debtor's involvement with hazardous or environmentally harmful substances as may be defined or regulated as such under any local, state or federal law or regulation or otherwise resulting from a breach of this provision of this Agreement.

PROTECTION OF COLLATERAL. Debtor agrees that Lender may, at Lender's sole option, whether before or after any event of default, and without prior notice to Debtor, take the following actions to protect Lender's interest in the Collateral: (a) pay for the maintenance, preservation, repair, improvement, or testing of the Collateral; (b) pay any filing, recording, registration, licensing, certification, or other fees and charges related to the Collateral; or (c) take any other action to preserve and protect the Collateral or Lender's rights and remedies under this Agreement, as Lender may deem necessary or appropriate from time to time. Debtor agrees that Lender is not obligated and has no duty whatsoever to take the foregoing actions. Debtor further agrees to reimburse Lender promptly upon demand for any payment made or any expenses incurred by Lender pursuant to this authorization. Payments and expenditures made by Lender under this authorization shall constitute additional Obligations, shall be secured by this Agreement, and shall bear interest thereon from the date incurred at the maximum rate of interest, including any default rate, if one is provided, as set forth in the notes secured by this obligation.

INFORMATION AND REPORTING. The Debtor agrees to supply to the Lender such financial and other information concerning its affairs and the status of any of its assets as the Lender, from time to time, may reasonably request. The Debtor further agrees to permit the Lender, its employees, and agents, to have access to the Collateral for the purpose of inspecting it, together with all of the Debtor's other physical assets, if any, and to permit the Lender, from time to time, to verify Accounts, if any, as well as to inspect, copy, and to examine the books, records, and files of the Debtor.

CROSS-COLLATERALIZATION. Debtor agrees that any security interest provided in Collateral under this Agreement or any Collateral provided in connection with any and all other indebtedness of Debtor to Lender, whether or not such indebtedness is related by class or claim and whether or not contemplated by the parties at the time of executing each evidence of indebtedness, shall act as Collateral for all said indebtedness. This cross-collateralization provision shall not apply to any Collateral that is/are household goods or a principal dwelling.

DEFAULT. The occurrence of any of the following events shall constitute a default of this Agreement: (a) the non-payment, when due (whether by acceleration of maturity or otherwise), of any amount payable on any of the Obligations or any extension or renewal thereof; (b) the failure to perform any agreement of the Debtor contained herein or in any other agreement Debtor has or may have with Lender; (c) the publication of any statement, representation, or warranty, whether written or oral, by the Debtor to the Lender, which at any time is untrue in any respect as of the date made; (d) the condition that any Debtor becomes insolvent or unable to pay debts as they mature, or makes an assignment for the benefit of the Debtor's creditors, or conveys substantially all of its assets, or in the event of any proceedings instituted by or against any Debtor alleging that such Debtor is insolvent or unable to pay debts as they mature (failure to pay being conclusive evidence of inability to pay); (e) Debtor makes application for appointment of a receiver or any other legal custodian, or in the event that a petition of any kind is filed under the Federal Bankruptcy Code by or against such Debtor and the resulting proceeding is not discharged within thirty days after filing; (f) the entry of any judgment against any Debtor, or the issue of any order of attachment, execution, sequestration, claim and delivery, or other order in the nature of a writ levied against the Collateral; (g) the death of any Debtor who is a natural person, or of any partner of the Debtor which is a partnership; (h) the dissolution, liquidation, suspension of normal business, termination of existence, business failure, merger, or consolidation or transfer of a substantial part of the property of any Debtor which is a corporation, limited liability company, partnership or other non-individual business entity; (i) the Collateral or any part of the Collateral declines in value in excess of normal wear, tear, and depreciation or becomes, in the judgment of Lender, impaired, unsatisfactory, or insufficient in character or value, including but not limited to the filing of a competing financing statement; breach of warranty that the Debtor is the owner of the Collateral free and clear of any encumbrances (other than those encumbrances disclosed by Debtor or otherwise made known to Lender, and which were acceptable to Lender at the time); sale of the Collateral (except in the ordinary course of business) without Lender's express written consent; failure to keep the Collateral insured as provided herein; failure to allow Lender to inspect the Collateral upon demand or at reasonable time; failure to make prompt payment of taxes on the Collateral;

loss, theft, substantial damage, or destruction of the Collateral; and, when Collateral includes inventory, accounts, chattel paper, or instruments, failure of account debtors to pay their obligations in due course; or (j) the Lender in good faith, believes the Debtor's ability to repay the Debtor's indebtedness secured by this Agreement, any Collateral, or the Lender's ability to resort to any Collateral, is or soon will be impaired, time being of the very essence.

REMEDY. Upon the occurrence of an event of default, Lender, at its option, shall be entitled to exercise any one or more of the remedies described in this Agreement, in all documents evidencing the Obligations, in any other agreements executed by or delivered by Debtor for benefit of Lender, in any third-party security agreement, mortgage, pledge, or guaranty relating to the Obligations, in the Uniform Commercial Code of the state in which Lender is located, and all remedies at law and equity, all of which shall be deemed cumulative. The Debtor agrees that, whenever a default exists, all Obligations may (notwithstanding any provision in any other agreement), at the sole option and discretion of the Lender and without demand or notice of any kind, be declared, and thereupon immediately shall become due and payable; and the Lender may exercise, from time to time, any rights and remedies, including the right to immediate possession of the Collateral, available to it under applicable law. The Debtor agrees, in the case of default, to assemble, at its own expense, all Collateral at a convenient place acceptable to the Lender. The Lender shall, in the event of any default, have the right to take possession of and remove the Collateral, with or without process of law, and in doing so, may peacefully enter any premises where the Collateral may be located for such purpose. Debtor waives any right that Debtor may have, in such instance, to a judicial hearing prior to such retaking. The Lender shall have the right to hold any property then in or upon said Collateral at the time of repossession not covered by the security agreement until return is demanded in writing by Debtor. Debtor agrees to pay all reasonable costs of the Lender in connection with the collecting of the Obligations and enforcement of any rights connected with retaking, holding, testing, repairing, improving, selling, leasing, or disposing of the Collateral, or like expenses. These expenses, together with interest thereon from the date incurred until paid by Debtor at the maximum post-default rate stated in the notes secured hereby, which Debtor agrees to pay, shall constitute additional Obligations and shall be secured by and entitled to the benefits of this Agreement. The Lender may sell, lease, or otherwise dispose of the Collateral, by public or private proceedings, for cash or credit, without assumption of credit risk. Unless the Collateral is perishable or threatens to decline speedily in value or of a type customarily sold on a recognized market, Lender will send Debtor reasonable notice of the time and place of any public sale or of the time after which any private sale or other disposition will be made. Any notification of intended disposition of the Collateral by the Lender shall be deemed to be reasonable and proper if sent United States mail, postage prepaid, electronic mail, facsimile, overnight delivery or other commercially reasonable means to the Debtor at least ten (10) days before such disposition, and addressed to the Debtor either at the address shown herein or at any other address provided to Lender in writing for the purpose of providing notice. Proceeds received by Lender from disposition of the Collateral may be applied toward Lender's expenses and other obligations in such order or manner as Lender may elect. Debtor shall be entitled to any surplus if one results after lawful application of the proceeds. If the proceeds from a sale of the Collateral are insufficient to extinguish the Obligations of the Debtor hereunder, Debtor shall be liable for a deficiency. Lender shall have the right, whether before or after default, to collect and receipt for, compound, compromise, and settle, and give releases, discharges, and acquittances with respect to, any and all amounts owed by any person or entity with respect to the Collateral. Lender may remedy any default and may waive any default without waiving the default remedied and without waiving any other prior or subsequent default. The rights and remedies of the Lender are cumulative, and the exercise of any one or more of the rights or remedies shall not be deemed an election of rights or remedies or a waiver of any other right or remedy.

FUTURE ADVANCES AND AFTER-ACQUIRED PROPERTY. Future advances may be made at any time by the Lender under this Agreement to the extent allowed by law. The security interest grant contained in this Agreement also applies to any Collateral of the type(s) identified in this Agreement that the Debtor acquires after this Agreement is executed, except that no security interest attaches to after-acquired consumer goods unless the Debtor acquires rights in such goods within 10 days of Lender giving value. In anticipation of future advances by Lender, the Debtor authorizes Lender to file any necessary financing statements to protect Lender's security interest.

EXERCISE OF LENDER'S RIGHTS. Any delay on the part of the Lender in exercising any power, privilege, or right hereunder, or under any other document executed by Debtor to the Lender in connection herewith, shall not operate as a waiver thereof, and no single or partial exercise thereof or any other power, privilege, or right shall preclude other or further exercise thereof. The waiver by the Lender of any default of the Debtor shall not constitute a waiver of subsequent default.

CONTINUING AGREEMENT. This is a continuing agreement and the security interest (and pledge and assignment, as applicable) hereby granted and all of the terms and provisions of this Agreement shall be deemed a continuing agreement and shall remain in full force and effect until the Obligations are paid in full. In the event that Lender should take additional Collateral, or enter into other security agreements, mortgages, guarantees, assignments, or similar documents with respect to the Obligations, or should Lender enter into other such agreements with respect to other obligations of Debtor, such agreements shall not discharge this Agreement, which shall be construed as cumulative and continuing and not alternative and exclusive.

Any attempted revocation or termination shall only be effective if explicitly confirmed in a signed writing issued by Lender to such effect and shall in no way impair or affect any transactions entered into or rights created or liabilities incurred or arising prior to such revocation or termination, as to which this Agreement shall be truly operative until same are repaid and discharged in full. Unless otherwise required by applicable law, Lender shall be under no obligation to issue a termination statement or similar document unless Debtor requests same in writing, and providing further, that all Obligations have been repaid and discharged in full and there are no commitments to make advances, incur any obligations, or otherwise give value.

ABSENCE OF CONDITIONS OF LIABILITY. This Agreement is unconditional. Lender shall not be required to exhaust its remedies against Debtor, other collateral, or guarantors, or pursue any other remedies within Lender's power before being entitled to exercise its remedies hereunder. Lender's rights to the Collateral shall not be altered by the lack of validity or enforceability of the Obligations against Debtor, and this Agreement shall be fully enforceable irrespective of any counterclaim which the Debtor may assert on the underlying debt and

notwithstanding any stay, modification, discharge, or extension of Debtor's Obligation arising by virtue of Debtor's insolvency, bankruptcy, or reorganization, whether occurring with or without Lender's consent.

NOTICES. Any notice or demand given by Lender to Debtor in connection with this Agreement, the Collateral, or the Obligations, shall be deemed given and effective upon deposit in the United States mail, postage prepaid, electronic mail, facsimile, overnight delivery or other commercially reasonable means addressed to Debtor at the address designated at the beginning of this Agreement, or such other address as Debtor may provide to Lender in writing from time to time for such purposes. Actual notice to Debtor shall always be effective no matter how such notice is given or received.

WAIVERS. Debtor waives notice of Lender's acceptance of this Agreement, defenses based on suretyship, and to the fullest extent permitted by law, any defense arising as a result of any election by Lender under the Bankruptcy Code or the Uniform Commercial Code. Debtor and any maker, endorser, guarantor, surety, third-party pledgor, and other party executing this Agreement that is liable in any capacity with respect to the Obligations hereby waive demand, notice of intention to accelerate, notice of acceleration, notice of nonpayment, presentment, protest, notice of dishonor, and any other similar notice whatsoever.

JOINT AND SEVERAL LIABILITY. To the extent permitted by law, each Debtor executing this Agreement is jointly and severally bound.

SEVERABILITY. Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law; but, in the event any provision of this Agreement shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity and shall be severed from the rest of this Agreement without invalidating the remainder of such provision or the remaining provisions of this Agreement.

SURVIVAL. The rights and privileges of the Lender hereunder shall inure to the benefits of its successors and assigns, and this Agreement shall be binding on all heirs, executors, administrators, assigns, and successors of Debtor.

ASSIGNABILITY. Lender may assign, pledge, or otherwise transfer this Agreement or any of its rights and powers under this Agreement without notice, with all or any of the Obligations, and in such event the assignee shall have the same rights as if originally named herein in place of Lender. Debtor may not assign this Agreement or any benefit accruing to it hereunder without the express written consent of the Lender.

AUTHORIZATIONS. Debtor authorizes Lender, without notice or demand and without altering Debtor's liability or Lender's rights hereunder, from time to time to take acts which may alter the Obligation of Debtor to Lender or Debtor's right to restitution or subrogation or both, including to the extent allowed by law:

- (a) Renewing, compromising, extending, or otherwise changing the time for payment of, or otherwise changing the terms of the Obligations or any part thereof, including increasing the rate of interest;
- (b) Extending additional credit to Debtor in any manner for any purpose;
- (c) Incurring costs, including attorneys' fees, with respect to enforcing Lender's rights with respect to the Obligations, and Collateral securing the Obligations;
- (d) Exchanging, enforcing, waiving, or releasing (whether intentionally or unintentionally) any security for the Obligations or any part thereof or purchase such security at private or public sale and to file any financing statements necessary for Lender to perfect or protect Lender's security interest;
- (e) Settling, releasing, compromising with, or substituting any one or more endorsers, guarantors, or other obligors or the Obligations;
- (f) Impairing the value of Lender's interest in Collateral through failure to obtain or maintain protection, failure to obtain or maintain recordation of an interest, or through failure to perform a duty owed to Debtor to preserve the Collateral; and
- (g) Applying all monies received from Debtor and others or from Collateral in Lender's discretion without in any way being required to marshal assets.

GOVERNING LAW. This Agreement has been delivered in the State of Texas and shall be construed in accordance with the laws of that state.

HEADINGS AND GENDER. The headings preceding text in this Agreement are for general convenience in identifying subject matter, but have no limiting impact on the text which follows any particular heading. All words used in this Agreement shall be construed to be of such gender or number as the circumstances require.

MISCELLANEOUS. Time is of the essence of this Agreement. Except as otherwise defined in this Agreement, all terms herein shall have the meanings provided by the Uniform Commercial Code as it has been adopted in the state of Texas. All rights, remedies, and powers of the Lender hereunder are irrevocable and cumulative, and not alternative or exclusive, and shall be in addition to all rights, remedies, and powers given hereunder or in or by any other instruments or by the provision of the Uniform Commercial Code as adopted in the state where the Lender is located, or any other laws, now existing or hereafter enacted. The Debtor specifically agrees that, if it has heretofore or hereafter executed any loan agreement in conjunction with the Agreement, any ambiguities between this Agreement and any such loan agreement shall be construed under the provisions of the loan agreement, to the extent that it may be necessary to eliminate any such ambiguity. Debtor releases Lender from any liability which might otherwise exist for any act or omission of Lender related to the collection of any debt secured by this Agreement or the disposal of any Collateral, except for the Lender's willful misconduct.

ACKNOWLEDGMENT. Debtor acknowledges agreeing to all of the provisions in this Agreement, and further acknowledges receipt of a true and complete copy of this Agreement.

IN WITNESS WHEREOF, Debtor has executed this Agreement on the date and year shown below.

LINE OF CREDIT AGREEMENT AND NOTE. This Commercial Line of Credit Agreement and Note will be referred to in this document as the "Agreement."

LENDER. "Lender" means Texas First Bank whose address is HWY 124 at FM 365, Fannett, Texas 77705, its successors and assigns.

BORROWER. "Borrower" means each person or legal entity who signs this Agreement.

PROMISE TO PAY. For value received, receipt of which is hereby acknowledged, on or before the Maturity Date, the Borrower promises to pay the principal amount of Ten Thousand and 00/100 Dollars (\$10,000.00) or such lesser amount as shall have been advanced by Lender, from time to time, to or on behalf of Borrower under the terms of this Agreement, and all interest on the outstanding principal balance and any other charges, including service charges, to the order of Lender at its office at the address noted above or at such other place as Lender may designate in writing. The Borrower will make all payments in lawful money of the United States of America.

PAYMENT SCHEDULE. This Agreement will be paid according to the following required payment schedule: All unpaid principal, accrued and unpaid interest and any outstanding charges shall be due in a single payment on the Maturity Date unless demanded earlier. All payments received by the Lender from the Borrower for application to this Agreement may be applied to the Borrower's obligations under this Agreement in such order as determined by the Lender.

INTEREST RATE AND SCHEDULED PAYMENT CHANGES. Interest will begin to accrue on the date of this Agreement. The initial variable interest rate on this Agreement will be 6.650% per annum. This interest rate may change on September 25, 2014, and every day thereafter. Each date on which the interest rate may change is called the "Change Date." Beginning with the first Change Date, Lender will calculate the new interest rate based on TIB Texas City base rate in effect on the Change Date (the "Index") plus 1.000 percentage points (the "Margin"). If the Index is not available at that time, Lender will choose a new Index which is based on comparable information. The Index is used solely to establish a base from which the actual rate of interest payable under this Agreement will be calculated, and is not a reference to any actual rate of interest charged by any lender to any particular borrower. The interest rate will never be greater than 18.000% or less than 5.650%.

Nothing contained herein shall be construed as to require the Borrower to pay interest at a greater rate than the maximum allowed by law. If, however, from any circumstances, Borrower pays interest at a greater rate than the maximum allowed by law, the obligation to be fulfilled will be reduced to an amount computed at the highest rate of interest permissible under applicable law and if, for any reason whatsoever, Lender ever receives interest in an amount which would be deemed unlawful under applicable law, such interest shall be automatically applied to amounts owed, in Lender's sole discretion, or as otherwise allowed by applicable law. An increase in the interest rates may result in a larger final payment amount. Interest on this Agreement is calculated on an Actual/365 day basis.

LINE OF CREDIT TERMS. This Agreement is discretionary. The Borrower acknowledges and agrees that although the Borrower may from time to time request an advance under this Agreement up to a maximum amount equal to the Line of Credit Limit, the Lender in no way is obligated to make such advance and all advances will be made by Lender in its sole and absolute discretion and subject to the terms and conditions of this Agreement.

Advances.

- Advances under this Agreement may be requested orally or in writing by the Borrower or by an authorized person.
- The initial advance will be in the amount of \$10,000.00.
- The total of all advances requested and unpaid principal cannot exceed Ten Thousand and 00/100 Dollars (\$10,000.00).
- All advances made will be charged to a loan account in Borrower's name on Lender's books, and the Lender shall debit such account the amount of each advance made to, and credit to such account the amount of each repayment made by Borrower.

Suspension and Termination. Advances under this Agreement will be available until the earlier to occur of (a) September 25, 2015, (b) the date the Line of Credit is cancelled by Borrower, or (c) the date the Line of Credit is cancelled by Lender due to an occurrence of an

Event of Default (collectively, the "Maturity Date"). From and after the Maturity Date, no further advances will be made available to Borrower.

RIGHT OF SET-OFF. To the extent permitted by law, Borrower agrees that Lender has the right to set-off any amount due and payable under this Agreement, whether matured or unmatured, against any amount owing by Lender to Borrower including any or all of Borrower's accounts with Lender. This shall include all accounts Borrower holds jointly with someone else and all accounts Borrower may open in the future. Such right of set-off may be exercised by Lender against Borrower or against any assignee for the benefit of creditors, receiver, or execution, judgment or attachment creditor of Borrower, or against anyone else claiming through or against Borrower or such assignee for the benefit of creditors, receiver, or execution, judgment or attachment creditor, notwithstanding the fact that such right of set-off has not been exercised by Lender prior to the making, filing or issuance or service upon Lender of, or of notice of, assignment for the benefit of creditors, appointment or application for the appointment of a receiver, or issuance of execution, subpoena or order or warrant. Lender will not be liable for the dishonor of any check when the dishonor occurs because Lender set-off a debt against Borrower's account. Borrower agrees to hold Lender harmless from any claim arising as a result of Lender exercising Lender's right to set-off.

DISHONORED ITEM FEE. If Borrower makes a payment on the loan with a check or preauthorized charge which is later dishonored, a fee in the amount of \$29.50 will be charged.

RELATED DOCUMENTS. The words "Related Documents" mean all promissory notes, security agreements, mortgages, deeds of trust, deeds to secure debt, business loan agreements, construction loan agreements, resolutions, guaranties, environmental agreements, subordination agreements, assignments and any other documents or agreements executed in connection with this Agreement whether now or hereafter existing, including any modifications, extensions, substitutions or renewals of any of the foregoing. The Related Documents are hereby made a part of this Agreement by reference thereto, with the same force and effect as if fully set forth herein.

DEFAULT. Upon the occurrence of any one of the following events (each, an "Event of Default" or "default" or "event of default"), Lender's obligations, if any, to make any advances will, at Lender's option, immediately terminate and Lender, at its option, may declare all indebtedness of Borrower to Lender under this Agreement immediately due and payable without further notice of any kind notwithstanding anything to the contrary in this Agreement or any other agreement: (a) Borrower's failure to make any payment on time or in the amount due; (b) any default by Borrower under the terms of this Agreement or any other Related Documents executed in connection with this Agreement; (c) any default by Borrower under the terms of any Related Documents in favor of Lender; (d) the death, dissolution, or termination of existence of Borrower or any guarantor; (e) Borrower is not paying Borrower's debts as such debts become due; (f) the commencement of any proceeding under bankruptcy or insolvency laws by or against Borrower or any guarantor or the appointment of a receiver; (g) any default under the terms of any other indebtedness of Borrower to any other creditor; (h) any writ of attachment, garnishment, execution, tax lien or similar instrument is issued against any collateral securing the loan, if any, or any of Borrower's property or any judgment is entered against Borrower or any guarantor; (i) any part of Borrower's business is sold to or merged with any other business, individual, or entity; (j) any representation or warranty made by Borrower to Lender in any of the Related Documents or any financial statement delivered to Lender proves to have been false in any material respect as of the time when made or given; (k) if any guarantor, or any other party to any Related Documents in favor of Lender entered into or delivered in connection with this Agreement terminates, attempts to terminate or defaults under any such Related Documents; (l) Lender has deemed itself insecure or there has been a material adverse change of condition of the financial prospects of Borrower or any collateral securing the obligations owing to Lender by Borrower. Upon the occurrence of an event of default, Lender may pursue any remedy available under any Related Document, at law or in equity.

GENERAL WAIVERS. To the extent permitted by law, the Borrower severally waives any required notice of presentment, demand, acceleration, intent to accelerate, protest and any other notice and defense due to extensions of time or other indulgence by Lender or to any substitution or release of collateral. No failure or delay on the part of Lender, and no course of dealing between Borrower and Lender, shall operate as a waiver of such power or right, nor shall any single or partial exercise of any power or right preclude other or further exercise thereof or the exercise of any other power or right.

JOINT AND SEVERAL LIABILITY. If permitted by law, each Borrower executing this Agreement is jointly and severally bound.

SEVERABILITY. If a court of competent jurisdiction determines any term or provision of this Agreement is invalid or prohibited by applicable law, that term or provision will be ineffective to the extent required. Any term or provision that has been determined to be invalid or prohibited will be severed from the rest of this Agreement without invalidating the remainder of either the affected provision or this Agreement.

SURVIVAL. The rights and privileges of the Lender hereunder shall inure to the benefits of its successors and assigns, and this Agreement shall be binding on all heirs, executors, administrators, assigns and successors of Borrower.

ASSIGNABILITY. Lender may assign, pledge or otherwise transfer this Agreement or any of its rights and powers under this Agreement without notice, with all or any of the obligations owing to Lender by Borrower, and in such event the assignee shall have the same rights as if originally named herein in place of Lender. Borrower may not assign this Agreement or any benefit accruing to it hereunder without the express written consent of the Lender.

GOVERNING LAW. This Agreement is governed by the laws of the state of Texas except to the extent that federal law controls.

HEADING AND GENDER. The headings preceding text in this Agreement are for general convenience in identifying subject matter, but have no limiting impact on the text which follows any particular heading. All words used in this Agreement shall be construed to be of such gender or number as the circumstances require.

ATTORNEYS' FEES AND OTHER COSTS. If legal proceedings are instituted to enforce the terms of this Agreement, Borrower agrees to pay all costs of the Lender in connection therewith, including reasonable attorneys' fees, to the extent permitted by law.

By signing this Agreement, Borrower acknowledges reading, understanding, and agreeing to all its provisions and receipt hereof.

NOTICE

The sales and use tax must be paid to the County Tax Assessor-Collector within 30 days from the date of purchase or entry of the vehicle into Texas. A \$2.50 fee for transfer of current registration is due in addition to the title application fees and other applicable fees. If not currently registered, registration fees will be due.

A 6.25 percent motor vehicle sales or use tax is imposed on the sale price (less trade-in allowance) of motor vehicles for use in Texas, or of a motor vehicle purchased outside of the state and later brought into this state by a Texas resident.

Standard Presumptive Value (SPV) applies to private-party sales of most used motor vehicles purchased or brought into Texas. The tax is computed on the greater of the sales price or 80 percent of the SPV on the day of title application.

New Texas residents are subject to a \$90 use tax on a vehicle brought into this state that was previously registered to the new resident in another state or foreign country. This is in lieu of the 6.25 percent use tax imposed on a Texas resident.

There is a \$10 gift tax when a person receives a motor vehicle as a gift from an immediate family member, guardian or a decedent's estate. A vehicle donated to, or given by, a nonprofit service organization qualifying under IRC 501(c)(3) is also taxed as a gift. Both donor and recipient must sign the Comptroller's joint affidavit **Form 14-317, *Affidavit of Motor Vehicle Gift Transfer***. The affidavit and the title application must be submitted in person by either the donor or recipient.

A transaction in which a motor vehicle is transferred to another person without payment of consideration and one that does not qualify as a gift described above is a sale and will be subject to tax calculated on the vehicle's standard presumptive value.

A late penalty equal to 5 percent of the tax will be charged if the tax or surcharge is paid from 1 to 30 calendar days late; if more than 30 calendar days late, the penalty will be 10 percent of the tax. Minimum penalty is \$1.

In addition to the late tax payment penalty, Texas Transportation Code provides for an escalating delinquent transfer penalty of up to \$250 for failure to apply for title within 30 days from the date of title assignment. Submit this application, along with proper evidence of ownership, and appropriate valid proof of financial responsibility, such as a liability insurance card or policy.

All new residents applying for a Texas title and registration for a motor vehicle must file at the County Tax Assessor-Collector of the county in Texas where the applicant resides within 30 days of establishing residency. Texas law requires that all vehicles, previously registered and titled or registered in another state or country, be inspected for safety and the vehicle identification number verified before such vehicles may be registered in Texas. These inspections must be made by a state appointed Safety Inspection Station that will complete a **VI-30, *Out-of-State Identification Certificate***. This form must be submitted to the County Tax Assessor-Collector with your application for registration and Texas title.
